RECENTLY, THE AUTHOR HAS BEEN INVOLVED IN THE DESIGN OF A COMPUTER PROGRAM FOR THE DETERMINATION OF THE MEANINGFULNESS OF THE WORDS IN A DOCUMENT. THE PROGRAM IS BASED ON THE USE OF A DICTIONARY WHICH IS A LIST OF WORDS AND THEIR MEANINGS. THE PROGRAM TAKES A DOCUMENT AS INPUT AND THEN USES THE DICTIONARY TO DETERMINE THE MEANING OF EACH WORD IN THE DOCUMENT. THE PROGRAM THEN USES THE MEANINGS OF THE WORDS TO DETERMINE THE OVERALL MEANING OF THE DOCUMENT.

on Villas for governments in exile as I fear we may soon have need of a place to store General von Neurath. The arrival also announced that he would meet in March 1947 with the Mattel Toy Company of New York who have agreed to act as weapons consultants to the Pact. In return the Pact has dispatched a team to New York to study the needs of armed political detainees and escapee-maker John Dearman, currently confined with the company over some kind of secret Peace orchestra. Mattel will also release a new game "Victory over War" as soon as the new plant is in operation.

THE CINEMATIC PUNCH

JOHN KENNEDY, 218 E. 23rd Street, Yonkers, Ohio (Actor): CINEMATIC gets more interesting each time. I see you've switched to the ever-more popular system of unlimited entries; each star with one 7 players have now submitted. ((That's right. Registrations are now being accepted for individual entries at \$5.00 each, or for team entries in three groups at \$10 per team of three.)) I'd like to add to this that both your new game ((1946)) and Bimini's now have feature new players. I'd like to query about how much time you allow for a single move.

By the way - on the new game, Mrs. Parker is a man, Mr. O'Brien, and his actual identity is Mr. Roosevelt. ((See CINEMATIC #5, p. 1)) I couldn't locate it when I last wrote, and gave O'Brien's because he spends most of his time these days in the White House. ((I'm sorry. Knowing that this team entry was from the Youngstown University Librarians Club, I'd assumed that the other address was that of a woman's dorm and that both were female.))

I expect that Mr. Parker was visiting you on in his letter in CINEMATIC #5. Please let me know if you have any more news for indulging in this. Also, when you send me the account of the records in regard to Mark Robinson. I am delighted when you realize you had the record.

John, I hope you're well, my dearest. And I have an alliance going with him in CINEMATIC.

JOHN FREDERICK, 611 W. 108th Street, New York: Well, I think John Fritchka's plan for a Democracy convention is great but I'd like to be assured that he would be the chair.

CHARLES M. ROBINSON, 120 5th Ave., Clarion, Penn 16214 (about Rule #2 (Rankings)): ((See CINEMATIC #5, p. 2)) I've discussed this with others and would like to have it read "any player can make his point unless Committee requests 'no change' because of effectiveness" as you wrote. Many think it's (more) fair.

With you everything I'd just as soon have a majority policy for resignations. But I'd like to give the players who don't send in records - say, one point off for each consecutive month (or so).)

JOHN J. MCGINNIS, 711 Glendale, S. E. 3rd, Belmont, Alberta, Derry 19 (in library on NIPER #1001-1147). George has been in far between in NIPER...((I'm thinking Duke's editor. I'm giving no records anything other than Terry or Crit (Liberal) as beyond the pale. ((My dear let us know yourself, John!)))

ALAN D. GILCHRIST, 1710 Avenue St., Boston, Mass. 02173: Regarding the proliferation of different newsletters, you really started something. Last year was the first year in series of news, etc. ((I'm sorry to hear it. I've seen quite a few sets on sale by several department stores in New York City. And, for those readers who can't find a set at a local store, they can be ordered at \$7.50 from James Research Inc., 63 Washington St., Boston, Mass. 02111.))
